Aries (21 March – 19 April) – This period would be bringing illumination to your life in the areas of friends, romance and personal goals. Honours could be yours or recognition for your efforts. Scales may even be drawn towards a path of dedication and spiritual or social commitment. Creative ventures and pleasure pursuits are very highly to occur. There are new avenues that can be rich ones to travel, but such decisions could well affect the balance of friendships around you. There can be heightened emotions surrounding your family or home life. Humanitarian pursuits are also highlighted. Favorable Dates : Jan 3, 9, 12, 18, 21, 27 Favorable Colors : Blue & Black

Taurus (20 April – 20 May) - Artistic or spiritual inspiration will come, sending you off down new paths or allowing you to see the world in new ways. You may choose more compassionate paths, or let your natural compassion find its fullest expression. You may be drawn to metaphysics or spiritual disciplines. You may experience sudden romantic perambulations with detached amusement, but you'll be ready to experiment and open to new ideas. Friendships may blossom into love. Relationships that survived past turbulence will grow because of the journey and will now have great value and security for you. Favorable Dates : Jan 2, 7, 11, 16, 20, 25 Favorable Colors : Blue & Red

Gemini (21 May – 20 June) - There could be advancement, promotion or interesting changes of direction but these won't come without a few struggles and some arrivals and departures. Communications and business advance with all the intensity. The battles and disagreements will be offset by the exciting pace of life and the learning situations you encounter. There can be some inclination to manipulate others to further your own goals, which should be avoided. There may be indecision regarding feelings about a relationship. Study or travel could become part of your responsibilities at this point. Favorable Dates : Jan 3, 4, 12, 13, 21, 22 Favorable Colors : Yellow & Red

Cancer (21 June – 22 July) - The desire to assert independence and to dominate can be strong. Impulsiveness can be a problem. You can be rebellious and willful, ignoring others' needs in the process. It's important to balance enthusiastic expansion against a realistic idea of what is affordable. If you've been focusing too little on your relationships, they can demand your attention now and a balance is sought. There can be quite a bit of preoccupation with your own personal affairs and image. This month can reveal your deeper emotional state and can help you explore the far horizons of possibility. Favorable Dates : Jan 6, 8, 15, 17, 24, 26 Favorable Colors : Yellow & Blue

Leo (23 July – 22 August) - Unusual or unexpected contacts and connections could come into your life and make a considerable difference. You'll be focusing on balancing your cheque book, beautifying and maintaining your valuables, and tending to matters of personal comfort. This can be a good time for finding lost objects or areas of weakness in a budget. An old flame or contact from the past could come back into your life and you might find yourself with the choice to renew something. You can float through this period with an easy grace, something you generally love to do. Favorable Dates : Jan 3, 8, 12, 17, 21, 26 Favorable Colors : White & Blue

Virgo (23 August – 22 September) - It's a great time for networking, connecting, and group activities. There is also good energy for new projects, idea creation, and goal-setting, which have more chances of success than usual. You can present original and unique ideas in an attractive package right now, and you might want to take advantage of this energy. Friendly energy is in the air, and you easily attract positive attention. Whatever it is that you feel you need, freedom through artistic expression, economic power, lifestyle, love, family and children... this is the time to seek it out. Favorable Dates : Jan 4, 7, 13, 16, 22, 25 Favorable Colors : Red & Yellow

horoscopes

Libra (23 September – 22 October) - Your thinking and your style of operation is in the process of change. Keep riding the waves as there is benefit in the impact experiences they provide. It's also a good time for dealing with problems in close relationships with the goal to heal and move past things, not without first feeling the problems and getting to know them better. It's a very good time for handling long-standing problems or attitudes that have been keeping you stagnant and hesitant. High hopes and realistic expectations - this is the balance for you to continue to strive for. Favorable Dates : Jan 4, 9, 13, 18, 22, 27 Favorable Colors : Red & Green

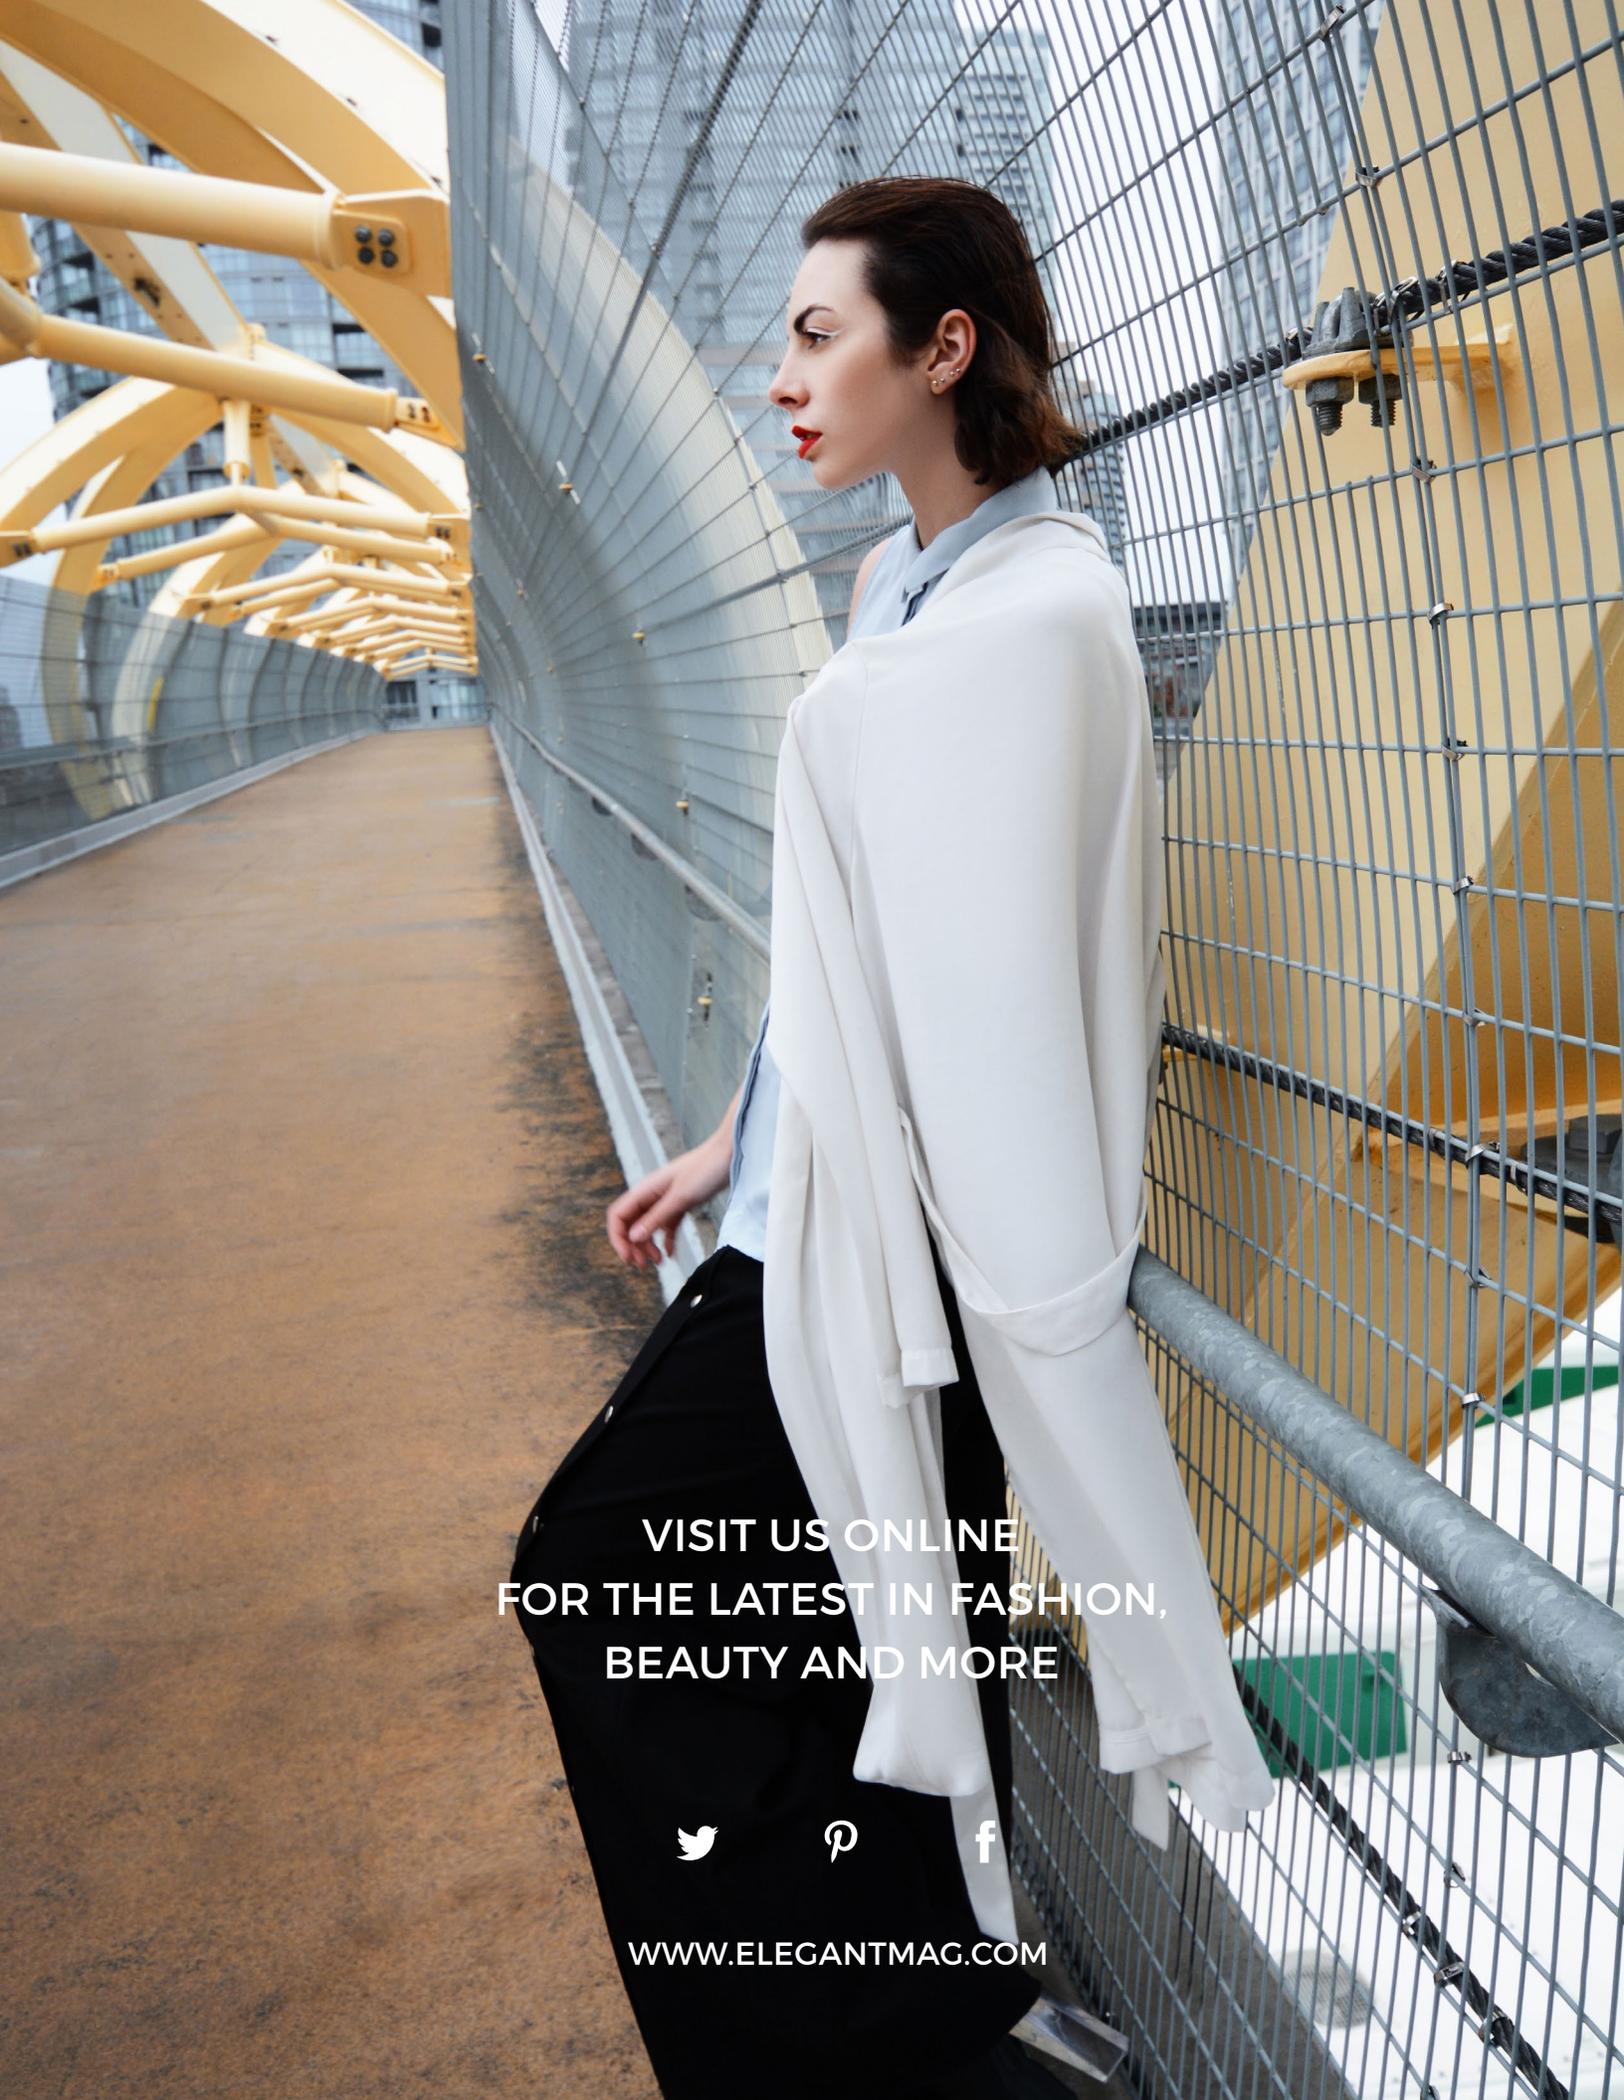

Scorpio (23 October – 21 November) - This can be a good time for putting your talents and skills to beneficial use. Great energy for strategy, planning, seeing patterns, and developing methods is with you now, particularly related to work, business, and finances. You could find that others are willing to go along with your plans and responsive to your insights, allowing you to take the lead. This creates a theme of powerful action and intense desire, urging you forward, at least as far as work and vocation are concerned. There could be a little uncertainty around love and sexuality at this point. Favorable Dates : Jan 4, 6, 13, 15, 22, 24 Favorable Colors : Yellow & Green

Sagittarius (22 November -21 December) - You are thinking both resourcefully and intuitively now. There can be strong focus on your resources, money, possessions, skills during this period, although at times, there can be quite a bit of worry and possibly misunderstandings about these things. The workplace is increasingly demanding and you may have to burn the midnight oil to follow your heart's desire. This can be a strong period for thinking up new money-making ideas, and your conversations tend to be more practical than fanciful. Letting go of unnecessary demands will help you prioritize your time. Favorable Dates : Jan 1, 5, 10, 14, 19, 23 Favorable Colors : White & Yellow

Capricorn (22 December – 19 January) - You can be changeable, restless, disruptive and erratic and yet you pride yourself on an easygoing demeanour that takes every eventuality in its stride. You can be aloof, detached and cool and yet with equal ease you can be involved, concerned and compassionate. The pursuit of love could prove exciting. Artists, academics and those of unorthodox habits will set your heart racing. Deep issues are likely to be drawn from the darkness of your subconscious. It is a month when you will also have to know when to step back from action and let a situation reveal itself. Favorable Dates : Jan 3, 8, 12, 17, 21, 26 Favorable Colors : Red & Yellow

Aquarius (20 January – 18 February) - Travel, creativity and study call you on a journey of the higher mind. Work or duty can demand your attention, and you can be quite consumed by what you are expected to do. Money matters and especially debts and obligations, require a closer look this month. New ventures or businesses are favoured, especially if they involve communications and overseas connections. There is business to be done through investment or speculation from which you can gain quite handsomely. This will be a fairly exhausting period but it may well sort some things out and bring clarity in the end. Favorable Dates : Jan 2, 4, 11, 13, 20, 22 Favorable Colors : White & Blue

Pisces (19 February – 20 March) - You are finding brand new channels for expressing yourself this month and discovering new courage to open up and share. Communications fields can be helpful for connecting you to the right people and places. Success, advancement and growth will all figure in the journey from this point. There may be a promotion or a successful venture. This is a time when you will begin to make change at an emotional and domestic level. If there are issues about money between yourself and someone you're close to, then they will need attention. Favorable Dates : Jan 1, 4, 10, 13, 19, 22 Favorable Colors : White & Yellow
